

Weighted Sensory Blanket Workshop

1) Learn the benefits of weighted blankets and how to use them for special needs children with a variety of diagnoses/symptoms:

- Autism
- Sensory Processing Disorder
- ADD/ADHD
- anxiety
- sleep difficulties

2) Make a weighted blanket to take home!

- small size: 30" x 20"
- large size: 50" x 35"

All supplies will be provided.

Cost: \$30 to make a small blanket
\$50 to make a large blanket
